

A brief report on AWIM Section Level Olympics

Date: 10th November 2008

Venue: Chennai Port & Dock Educational Trust Hr. Sec. School,
Tondiarpet, Chennai.

No. of Schools Participated: 11 Schools

No. of Students: 33 Students

No. of Teachers: 16 teachers

Volunteers from Ashok Leyland: 4 volunteers

AWIM Convener: Mr. S. Shanmugam

Inauguration:

A student from Chennai port & Dock Educational Trust Hr. Sec. School welcomed the gathering. The School Principal Mrs. R. Mahalakshmi, Industrial Volunteers and Mr. S. Shanmugam were addressed the gathering and wished the participants to win the competition.

Competition:

All the teams were asked to build the Jet toys with different nozzles for the competition. Students were highly enthusiastic and they have built an innovative toy of their own choice. The students were given two and half hour for building the Jet Toy. All the teams were enjoyed during the track events and they were very clear about the design concept behind their vehicle. They have also presented their newly designed toy before the judges.

Valedictory Function:

The Judges announced the results of the winners and the teams qualified for the national level AWIM Olympics. On behalf of SAEINDIA the school principal, volunteers and the judges were honored by Mr. S. Shanmugam with a memento. The first prize bagged by Sri Sankara Sr. Sec. School, second prize by St. Michael's Academy and the third prize by P.S. Senior Sec. School. The winners were given gift vouchers and a memento. Mr. M. Satish delivered the vote of thanks.

Prize winners:

First Place: Sri Sankara Senior Secondary School

Second Place: St Michael's Academy

Third place: P.S.Senior Secondary School

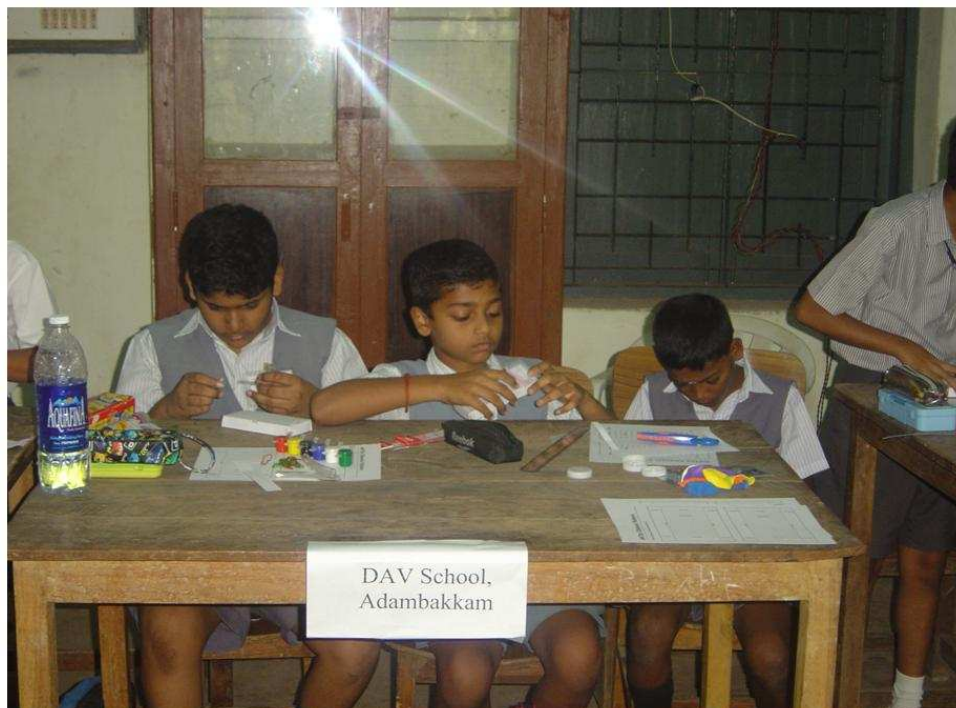

Good start to the Future Engineers
